ACOUSTICAL FENCE SOLUTIONS

Pre-designed, community-inspired precast noise solutions offering project-ready convenience.

DESIGN AND ENGINEERING SERVICES FROM CONCEPT TO COMPLETION

International Fence is a brand known and recognized across Ontario cities and towns. Its simple pattern and straightforward design make it an easy fence to install and maintain. A smarter alternative to wood or other materials that quickly deteriorate, this precast system provides years of service life, consistent quality, and is pre-designed to be project ready.

WHY US?

EKHO Infrastructure Solutions is where proven design, quality standards and operational efficiency come together to produce on-demand, specialty precast and turnkey project service.

BUILT TO LAST.

We specialize in providing a quality, precast concrete fence system that is manufactured and held to the highest industry standards.

READY TODAY.

We understand the importance of quick and timely delivery, which is why we maintain in-stock inventory of panels ready to ship to your jobsite.
