## URBAN SAFETY PLANTERS

Designed to seamlessly blend into public spaces, our precast concrete planters provide a highly effective safety measure from vehicle impact.

---

# GARDIAN

Gardian by EKHO Infrastructure Solutions offers a turn-key solution for surface mounted planters that put pedestrians and patron safety first. Our freestanding design requires no foundations, bolts, or adhesives to install, making them easily repositioned and adaptable across multiple uses. Arrange as a single planter or within thoughtful configurations that reimagine a space completely.

-  **Crash Rated Barriers**  
Engineered in accordance with MASH TL1 (Manual for Assessing Safety Hardware) crash testing criteria to withstand high impact vehicle contact.
-  **Regulatory Compliance**  
Meet provincial guidelines calling for increased vehicle impact protection.
-  **Modular & freestanding**  
Easy to lift in place and move when needed.
-  **Custom colours & designs**  
Blends seamlessly or stand out completely, in a variety of functional configurations to optimize space.
-  **Durability**  
Precast Concrete, winterize your safety. Safe, stable option.
-  **Achieve Continuity with Segmented System**  
Arranged in straight or curved segments, and connects in a series with a specially designed system, complete with mounting points for additional accessories.
-  **Readily Available**  
Stocked inventory ready to deliver
